SUBJECT INDEX

- Acute care oncology unit, psychological support role of night nurses on, 237
- Adolescent, undergoing allograft procedure, 130
- Affective state, psychoeducational nursing intervention to enhance in malignant melanoma patients, 427
- African-Americans
adherence to breast cancer screening guidelines among, 258
elderly, fatalism among, 385
- Allergy, as risk factor in elderly cancer patient, 83
- Allograft procedure, care of adolescent undergoing, 130
- Alternate health care, decision tree model of choice of, 104
- Amenorrhea, in nurses handling antineoplastic drugs, 439
- Antineoplastic drugs, menstrual cycles in nursing handling, 439
- Anxiety
with mammography, 47
preparatory patient education effects on, 206
reduction of with information on radiotherapy, 374
relaxation to reduce with chemotherapy, 60
- Asian women, variables associated with breast self-examination among, 29
- Attitude, as barrier to cancer pain management, 16
- Baccalaureate nursing education, cancer nursing curriculum guide for, 445
- Barriers, to mammography utilization, 53
- Behavioral treatment, for patient with pain, 180
- Bethesda system, for Pap smear classification, 458
- Biotherapy
continuing education credit on, 331
immune system in, 313, 415
interferons in, 479
overview of, 397
- Body image disturbances, in young adults with cancer, 138
- Bone marrow transplant, quality of life for survivors of, 118
- Bone pain, palliation of with strontium-89, 286
- Breast cancer
coverage of in popular women's magazines from 1929-1949, 270
patient perception of support groups for, 472
patient support provision for, 278
perceptions of mammography experience with, 47
psychosocial morbidity with lymphoedema in, 467
role of nurse practitioner in preventing, 251
survivors of, concerns and coping by, 35
tamoxifen treatment for, 215
- Breast cancer screening
adherence to guidelines among African-American women, 258
among older women, 270
- Breast self-examination
among African-American women of differing employment status, 258
variables associated with among Chinese women, 29
- Burnout
of hospice caregivers, 337
of oncology nurses, 228
- Cancer nursing curriculum guide, for baccalaureate education, 445
- Cancer pain
coaching to report, 7
patient-related barriers to managing, 16
tailoring treatment to individualized needs of patient with, 180
- Cancer prevention team, establishing of, 421
- Cancer screening centers, clinical experience of, 458
- Caregiver
burden on, 299
exhaustion of, 337
hardiness and self-care agency of, 299
- Cathexis, in young adults with cancer, 138
- Cervix
Bethesda Pap smear classification system for dysplasia of, 458
role of nurse practitioner in preventing cancer of, 251
- Chemotherapy
ethical issues of informed consent to, 97
fatigue-reducing strategies for, 23
relaxation to reduce side effects of, 60
sperm banking and, 306
- Chinese women, variables associated with breast self-examination among, 29
- Chlorhexidine, in maintaining oral hygiene, 393
- Chronic malignant pain, in patients in India and the U.S., 189
- Clinical nurse specialist, implications of body image disturbances for, 138
- Coaching, lung cancer patients to report sensory pain, 7
- Cognitive-behavioral treatment, for patient with pain, 180
- Colorectal cancer, fatalism among elderly African Americans with, 385
- Compounded grief, in oncology nurses, 228
- Consent
ethical issues of, 97
for experimental therapy, 89
- Coping
of breast cancer survivors, 35
psychoeducational nursing intervention to enhance in malignant melanoma patients, 427
strategies with prolonged cancer death, 222
- Curriculum, cancer nursing, 445
- Death
anxiety over in oncology nurses, 228
prolonged, 222
- Decision making, in consenting to experimental therapy, 89
- Decision tree model, of alternate health care choices, 104
- Dependent care, 299
- Drugs, cancer, menstrual cycles in nursing handling, 439
- Education
cancer nursing curriculum guide for, 445
for cancer prevention, 421
effect of on anxiety and satisfaction with radiation therapy, 206
in newly diagnosed malignant melanoma patients, 427
- Educational opportunities, 80, 163, 247, 332, 416
- Elderly patient
allergy as risk factor for nursing care in, 83
fatalism among, 385
- Employment status, adherence to breast cancer screening guidelines and, 258
- Ethics, in informed consent to chemotherapy, 97
- Ethnography, of breast cancer patients in support groups, 472
- Experimental cancer therapy, decision making in, 89
- Family, prolonged cancer death effect on, 222
- Fatalism, among elderly African Americans, 385
- Fatigue-reducing strategies, in cancer treatment patients, 23
- Fecal occult blood testing, increasing participation in for elderly African Americans, 385
- Foam brush, in maintaining oral hygiene, 393
- Functional status scale, for measuring quality of life outcomes in head and neck cancer patients, 452
- Grief, chronic compounded, 228
- Head and neck cancer, functional status scale for measuring quality of life outcomes in, 452
- Health Belief Model scales, for mammography utilization, 53

- Health beliefs, among Chinese women, 29
 Health care choices, decision tree model of, 104
 Health-related hardness, of caregivers, 299
 Home care program, for symptomatic malignant terminal disease patients, 368
 Hope, for cancer patients, 355
 Hospice
 overnight respite for primary caregivers of, 337
 stories about becoming nurse in, 344

 Infertility, in male cancer patients, 306
 Information, related to radiotherapy, 374
 Informed consent, ethical issues from, 97
 Integrative nursing research review, 167
 Interferons, biotherapy with, 479
 Japan, relaxation to reduce chemotherapy side effects in, 60
 Long-term effects
 from radiation therapy, 79
 of radiation therapy, 67
 Lung cancer, coaching to report sensory pain in, 7
 Lymphedema
 postmastectomy, 197
 psychosocial morbidity with in breast cancer patients, 467
 Magazines, breast cancer coverage by from 1920-1949, 270
 Male infertility, in cancer patients, 306
 Malignant melanoma, enhancing coping and affective state with diagnosis of, 427
 Mammography
 benefits and barriers scale for utilization of, 53
 perceptions of, 47
 Menstrual cycle, in nurses handling antineoplastic drugs, 439
 Meta-analysis, of oncology nursing research, 167
 Metastatic cancer, palliation of bone pain with, 286
 Motivation, of hospice nursing, 344
 Muntendam Award, 20th, 335
 Nausea, relaxation to reduce with chemotherapy, 60
 Night nursing staff, psychological support role of, 237
 Nurse
 in hospice, 344
 perception of quality of life for bone marrow transplant survivors, 118
 perception of who provides breast cancer patient support, 278
 responses of to pain intensity rating scales, 292
 social support from, 362
 Nurse practitioner, role of in breast and cervical cancer prevention, 251
 Nursing activities, in cancer prevention, 421
 Nursing care
 allergy as risk factor for in elderly patients, 83
 goals of for patient with pain, 180
 with strontium-89 therapy for metastatic cancer, 286
 Nursing diagnosis, of allergy as risk factor, 83
 Nursing education, cancer nursing curriculum guide for, 445
 Nursing intervention, to enhance coping in malignant melanoma patients, 427
 Nursing research, integrative review and meta-analysis of, 167
 Older women, breast cancer screening and, 270
 Oncology clinical nurse specialist, implications of body image disturbances for, 138
 Oncology nurse, chronic compounded grief and, 228
 Oncology nursing research, integrative review and meta-analysis of, 167
 Oral hygiene, toothbrush, foam brush, and chlorhexidine-soaked foam brush in maintaining, 393
 Orem's theory, 299
 Overnight respite, of primary hospice caregivers, 337
 Pain
 bone, palliation of with strontium-89, 286
 chronic malignant, comparative study of patients in India and the U.S., 189
 coaching lung cancer patients to report, 7
 intensity rating scales for, patients' ratings and nurses' responses to, 292
 patient-related barriers to managing, 16
 perceptions of in mammography, 47
 tailoring treatment to individualized needs of patient with, 180
 Palliation, of bone pain in metastatic cancer with strontium-89, 286
 Papanicolaou smears, Bethesda classification system for, 458
 Patient
 decision tree model for choice of alternate health care by, 104
 pain intensity perceptions of, 292
 perception of breast cancer support groups by, 472
 perception of who provides breast cancer patient support, 278
 sperm banking and, 306
 Patient education
 effect of on anxiety and satisfaction with radiation therapy, 206
 in newly diagnosed malignant melanoma patients, 427
 related to radiotherapy, 374
 Patient satisfaction
 with nursing care, 362
 preparatory patient education effects on, 206
 Patient-related barriers, to cancer pain management, 16
 Postmastectomy lymphedema therapy, psychosocial benefits of, 197
 Preparation, function of in radiotherapy, 374
 Preparatory sensory information, of tamoxifen effects in breast cancer treatment, 215
 Prevention
 role of nurse practitioner in, 251
 VANAC team in, 421
 Procedure-related pain, in mammography, 47
 Psychoeducational nursing intervention, to enhance coping in malignant melanoma patients, 427
 Psychological support role, of acute care oncology unit night nursing staff, 237
 Psychosocial benefits, of postmastectomy lymphedema therapy, 197
 Psychosocial issues, of bone marrow transplant, 118
 Psychosocial morbidity, of breast cancer patients with lymphoedema, 467
 Quality of life
 for bone marrow transplant survivors, 118
 for cancer patients, 355
 functional status scale for, 452
 Radiation therapy
 fatigue-reducing strategies for, 23
 functions and preferred methods of receiving information related to, 374
 long-term and late effects from, 67
 potential long-term and late effects from, 79
 preparatory patient education for, 206
 safety with, 286
 skin and wound care in, 144, 162
 Radionuclide therapy, in palliation of bone pain with metastatic cancer, 286
 Relaxation technique, for side effects of chemotherapy in Japanese patients, 60
 Reproduction, in nurses handling antineoplastic drugs, 439
 Research, integrative review and meta-analysis of, 167
 Robert Tiffany Lectureship, I

Screening, Bethesda Pap smear classification system for, 458

Instructions to Publishers

- Complete and file one copy of this form with your postmaster on or before October 1, annually. Keep a copy of the completed form for your records.
- Include in items 10 and 11, in cases where the stockholder or security holder is a trustee, the name of the person or corporation for whom the trust is acting. Also include the names and addresses of individuals who own or hold 1 percent or more of the total amount of bonds, mortgages, or other securities of the publishing corporation in item 11. If none, check box. Use blank sheets if more space is required.
- Be sure to furnish all information called for in item 15, regarding circulation. Free circulation must be shown in items 15a, b, and c.
- If the publication had second-class authorization as a general or requester publication, the Statement of Ownership, Management, and Circulation must be published. It must be printed in any issue in October or the first printed issue after October if the publication is not published during October.
- In item 16, indicate date of the issue in which this Statement of Ownership will be printed.
- Item 17 must be signed.

Failure to file or publish a statement of ownership may lead to suspension of second-class authorization.

PS Form 3526, October 1994 (Rev. 9/94)
